Hi Michael,

I would like to ask you a few questions about the South Bay sites you are managing. Would it be okay if I set up a Teams meeting for Friday with you to discuss?

Thanks,

Hi all:

Happy Monday!

Jana Dawson is going to help us pull together the current status of all our south bay sites, and then to help us develop a strategy to address them all consistently. She will be calling and/or sending an email asking for more information to update and expand the attached table. Please help out as you can.

Many thanks!

Regards,
